

DIAMOND TREE JACKPOT

Diamond Tree is a three-level progressive jackpot designed to deliver an immersive gaming experience. Leveraging high-quality visuals and an enriched soundscape, it maximizes player engagement and enhances the overall gameplay. Its bonus spin functionality enables the potential activation of multiple progressive and bonus payouts, ensuring widespread appeal across diverse player segments.

DIAMOND TREE JACKPOT

After the end of each paid game the player has a chance of triggering the Diamond Bonus Game and win one or multiple Diamond Tree Jackpot Levels throughout.

DIAMOND TREE JACKPOT

If the Jackpot bonus has been triggered additional screen with 5 x 3 reels appears and initials 3, 4, 5 or 6 diamonds drop down from the tree to the reels. The player begins to play after pressing the START button. At the beginning of the Bonus, the player is awarded 3 free spins, and if a new diamond appears during the spin on one of the additional reels, the free spins counter is reset to 3. Bonus Feature continues until no free spins remain or all 15 reel positions are filled with diamonds.

Possible winnings on the diamonds: 1, 2, 3, 4, 5, 10, 15, 20, 25, 50 x the total bet.
The diamonds are held in a position for the duration of the bonus.
Each of the held diamonds has a win on it that is given to the player after the bonus has ended.
